For 25 years, the Alzheimer's Disease Assistance Center of Long Island—the only Alzheimer's Center of Excellence on Long Island—has been helping people with memory disorders through expert diagnostic evaluations, clinical management, education and support for patients and their caregivers.

Day Haven Adult Day Services will provide free care for your loved one during the conference. Space is limited. You **MUST** register. Call the ADAC office at 631-632-3160 for more information.

We gratefully acknowledge support from conference sponsors Mills Pond Center for Nursing and Rehabilitation and The Bristol Assisted Living.
