- 1) Independent Studies and Directed Reading involve a topic you would like to explore, AND which none of our faculty or affiliated faculty offers or plans to offer as regular course in the near future.
- 2) A student will be unable to register without the consent of the faculty member they plan to work with. The student will also be denied credit for IS/DR if this form is not signed by all appropriate parties. The signed form must be on file in the department office BEFORE the end of add/drop period or the end of the third week of class, whichever comes first.
- 3) This form does not officially register you for this course, once given consent you will receive a permission to register in SOLAR. You must register in SOLAR either at registration OR during the two week add period. It is important to remember to have the Director of Graduate Studies approve and sign your proposal form before you register, or you may be deregistered.
- 4) You can register for 1 -3 credits of directed readings or independent studies, depending on how much time you need to put into the project. For CLT 690 you can register for 1-12 credits and for CLT 696 you can register for 3, 6, or 9 credits, for a maximum of 18 credits.)
- 5) Please fill out in triplicate and submit one copy for departmental file, one to the faculty member, and one for your records.
- 6) Add a description of the proposed project (It consists of a one page description, proposed bibliography and a syllabus indicating what the student will do, how the student will be examined and graded):
