

#### DANGER

Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsines dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EVES: Rinse cautiously with water for 15 minutes. Disrose as harardour water Dispose as hazardous waste. Read SDS for more information.

## DANGER

DANGER

DANGER Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

DANGER Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

#### DANGER

Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Near gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

#### DANGER

Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

#### DANGER

DANGER

Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN FYES: Rinse cautiously with water for 15 minutes. Dispose as harardous waste Read SDS for more information.

# DANGER Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

#### DANGER

DANGER Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS tor more information.

% Ethyl Acetate 0 (EA)

Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

#### DANGER

EHSD0457 (05/14)

DANGER Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

#### DANGER

Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsines dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EVES: Rinse cautiously with water for 15 minutes. Disrose as harardour water Dispose as hazardous waste. Read SDS for more information.

#### DANGER

Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

DANGER Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsines dizziness. Keep container lightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

LANGER Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or diszness. Keep container tightly closed. Keep away from head/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF INE YESS Rinse cautiously with water. for 15 minutes. Read SDE for more information.

DANGER Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

DANGER Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

DANGER Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

DANGER Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

DANGER Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

### DANGER

DANGER

Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rines cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.

DANGER Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. Wear gloves and eye protection. IF IN EYES: Rinse cautiously with water for 15 minutes. Dispose as hazardous waste. Read SDS for more information.
