Our campus is located an hour and a half east of New York City by car and is accessible from New England via the Bridgeport-Port Jefferson ferry. It is also directly serviced by the Port Jefferson Branch of the Long Island Rail Road (LIRR), which runs from New York City and connects Stony Brook to two of New York's international airports (John F. Kennedy International Airport and Newark Liberty International Airport).

**Parking:** If traveling by car, please be aware of the current rates and locations of visitor parking on campus. Visitors can park only in designated metered lots or university parking garages. The metered parking lot near the Life Sciences Building and the Administration Parking Garage provide visitor parking near the conference hub. Please see [here](#) for a parking map and more detailed information.
