

Stony Brook University Fall Headcount Enrollment by Level and College/School (Academic Group)

These data represent distinct headcount enrollment within the academic group associated with each major or graduate program. They account for double majors and additional graduate programs. Totals may not add as students are counted in each plan but only once in totals. Additional records of type Course of Study, Minor, and Specialization excluded. Note: 2024 data are preliminary until reported to IPEDS in spring 2025.
