2025 Joint Faculty-led Summer Study Abroad

Embark on the **adventure of a lifetime in the summer of 2025!** Our faculty-led summer study abroad program offers an immersive journey into Korean language, history, and culture, with a special focus on the vibrant traditions and unique history of Jeju Island. Over the course of four unforgettable weeks, you'll immerse yourself in both the ancient and modern facets of Korea, beginning with a pre-departure Zoom orientation to prepare you for the trip. Once in the country, you'll spend 2.5 weeks at the Global Campus in Songdo, followed by two enriching weeks at Jeju National University on Jeju Island, where hands-on cultural exploration will bring your studies to life. Running from **June 26 to July 27, 2025**, this program is a unique opportunity to not only sharpen your Korean language skills, but also expand your worldview in an authentic and exciting environment.

- Join fellow students from across the U.S., including George Mason, the University of Utah, and the University of Wisconsin-Madison, for a transformative summer of learning, adventure, and cultural discovery!

Program Schedule

- **Duration:** 4.5 weeks (pre-departure Zoom orientation, 2.5 weeks in Songdo/Seoul and 2 weeks in Jeju Island)
