A Message from the OLLI at SBU Advisory Board President

Please be mindful that when we are on Zoom and speaking, even though you just want to get the information to one or two people, you are addressing the entire workshop. Some of our workshops are small with 35 members, and some of our workshops are large with 260 members. When you speak, everyone can hear you.

Please do not discuss anyone's personal, medical, social or financial information without the explicit permission of that person. We need to be respectful of each other at all times, and maintain the privacy of our members as we continue on this virtual platform.

Thank you for your consideration and understanding.

Mary Hance, OLLI at SBU Advisory Board President

Community

Long Island
State Veterans Home

 AT STONY BROOK UNIVERSITY

Throughout the more than 30-year history of the Long Island State Veterans Home, our staff and volunteers have taken great pride in providing comprehensive long term care to more than 10,000 men and women who so valiantly risked their lives in defense of our nation. Our residents have come from all walks of life, represented all branches of service, fought in virtually every major conflict and share a common bond so profound that few who have not served will ever comprehend.

In an effort to continue to improve the quality of care we provide for our veterans and their families, on Thursday, September 23rd, 2021, we will host our Nineteenth Annual Golf Classic at the Willow Creek Golf & Country Club in Mt. Sinai, New York.....
