Greetings!

The warm & sunny weather has been most welcomed these past few days. We hope that you are able to go outside or open your windows and smell the fresh air, and enjoy the Springtime.

The past few weeks have been challenging for everyone. We hope that you are enjoying the OLLI workshops, virtual events and guest speakers as well as the resources provided in the OLLI newsletters. This is Issue #4 of: **OLLI THINGS TO DO AT HOME during COVID-19.**

Many members have shared websites, activities and resources that have been included in past newsletters. We encourage you to continue to share fun things that you think your fellow OLLI members would enjoy.

Please e-mail all suggestions to Liz Wilson at: elizabeth.wilson@stonybrook.edu
