<p>Internal Business Meals: Food and beverage provided to internal beneficiaries with the primary purpose of the event to involve substantive business discussion or to build employee morale. All food expenses for faculty and staff are limited to the per-person meal allowance rates of \$14.00 for breakfast, \$25.00 for lunch, and \$55.00 for dinner. The per diem rate maximum includes food, alcohol (see section on alcohol restrictions below), gratuity and delivery.</p> <p>Internal Business Meals in excess of per diem limits are an exception and require completion of the appropriate exception approval.</p>	Professional development, training retreats, seminars, workshops, or strategic planning. The event must be infrequent (i.e., lengthy interval of time between occurrences) and non-routine. Event objectives must incorporate sharing subject matter expertise or communicate initiatives or other material that is not part of the employee's day-to-day responsibilities. The agenda time must not otherwise offer the opportunity for an independent meal.	Yes	Yes	Yes	No
	Staff appreciation, recognition, professional achievement, or employee relations events to build morale. The event must be occasional. Generally, "occasional" is not more than monthly; this should be tracked and adhered to by the office requesting reimbursement. The activities must be equitable to all employees.	Yes	Yes	Yes	No
	Work beyond normal business hours. If schedules require employees to work over a mealtime, the reasonable cost of a meal is permissible.	No (4)	Yes	No	No
	Occasional food and beverage for university staff, when they are engaged in business meetings during normal business hours. Generally, "occasional" is not more than monthly; this should be tracked and adhered to by the office requesting the order. This does not include routine or individual meetings held at meal times.	Yes	Yes	Yes	No
	Guest attendance: Guest(s) are limited to instances where the guest accompanies a specific employee who is being recognized or honored. Guests at events must be pre-approved as an exception.	No	Yes	No	No
	Personal celebrations (e.g., birthday, wedding, administrative professional's day)	No	No	No	No

Sponsored Meals: Food and beverage, when required for performance of a sponsored project, and is allowed as a direct cost to the project	Provided to human subjects required to remain on site for several hours as part of their participation in a study. The purchase of food or beverages must be necessary for the effective performance of the project.	Yes	Yes	Yes	Yes
	Juice or light snack provided to human subjects participating in a study where blood is drawn as necessary for the technical conduct of the project	Yes	Yes	Yes	Yes
	Lunch or light snacks provided to individuals involved in all-day or major-portion of the day training sessions in order to fulfill project requirements	Yes	Yes	Yes	Yes
	Provided to non-SBU project personnel involved in recruiting community participants or students	Yes	Yes	Yes	No
Gratuity and delivery charges when related to allowable food and beverage purchases	Gratuity is limited to 20% of the pre-tax total bill. If per diem is applicable (i.e., internal business meals), the gratuity and delivery must be covered by the per diem maximum.	Yes	Yes	Yes	Yes
Alcoholic beverages	Per person reimbursement for alcoholic beverages is restricted to the cost of two alcoholic beverages. Applicable to all Hosted Business Meals, Internal Business Meals, Sponsored Meals. Itemized receipt is required. The provision (ordering, distribution or service) of alcohol at an event may only be done by a provider licensed to serve alcohol or pursuant to an SLA Permit, in accordance with University policy P122 and Office of Administration guidelines. When GSA per diem limits apply, the per diem maximum includes alcohol.	No	Yes	No	(3)

Footnotes:

(1) All expenses funded via the RF Sponsored account must be approved according project sponsorship parameters. Reimbursement requests must be timely and may not be reimbursed beyond 120 days from the purchase date. Exception approval must be obtained to reimburse expenditures older than 120 days.

(2) Must be related to a "to be named" position

(3) Varies based on the terms of the award. Contact the Office of Grants Management ogm_ovpr@stonybrook.edu.

(4) Specific State funds allow for meals to be provided to Student Life employees when the students directly benefit from their service (opening or closing residence halls)

Overarching allowability criteria: All expenditures funded with State, SBF, and RF accounts must be appropriate, reasonable, allowable, and allocable; they must also support the education, research, and public service missions of the university. Employees who incur or approve expenses must exercise prudent judgment to ensure that the expenses are for legitimate university business and comply with the appropriate allowability criteria.
