7. Curriculum vitae with bibliography of publications
8. Budget for project, with justification (1 page)
  - a) Please note that indirect costs are not allowed as part of the project budget.
  - b) Please denote any matching funds from other sources, including your academic institution. Note that indirect costs covered by the academic institution are not considered matching funds.
9. Current/pending research support (1 page)
10. Letter of recommendation from sponsoring department Chairperson, approved by the Dean of Medical School

### Notes:

- a) The Sinsheimer Scholar Award is a scholarly award of up to **\$200,000 payable over two years** (up to \$100,000 per year).
- b) Please send an **electronic** copy of the application, supporting documents and letter of recommendation prior to July 1, 2024 via email to [laura.hoffman@jpmorgan.com](mailto:laura.hoffman@jpmorgan.com) and [lindsey.s.crane@jpmorgan.com](mailto:lindsey.s.crane@jpmorgan.com). Paper copies will **not** be accepted.
- c) Please number and include researcher's name on each page.
- d) Applications must provide layman's language with regard to the specific area of research.
- e) Researcher must be within five years of being appointed Assistant Professor.
- f) The Committee places priority on funding researchers who have not yet received prestigious awards for their research. Researchers who have already obtained substantial independent funding, will likely not qualify for this grant.
- g) Once awarded, the Alexandrine and Alexander L. Sinsheimer Fund should be acknowledged in the final publication.
- h) Only one application will be accepted per school.
