Internship Opportunity at East End Explorer Camp – Summer 2025

East End Explorer is seeking enthusiastic and dedicated interns for our summer 2025 season at East End Explorer Camp. Located at various exploration sites throughout Southampton, our camp programs focus on outdoor education and recreational activities, exploring the coastal habitats of Long Island's estuarine waters, including salt marshes and local bays. Through immersive, hands-on experiences, we encourage campers to explore the local ecosystem and foster a deep connection to nature and environmental stewardship.

Key Responsibilities:

- Supervise and guide campers during kayaking, boating, and water-based activities.
- Provide physical and emotional support to campers as they navigate new challenges and experiences in the outdoors.
- Assist with hands-on learning activities such as seine netting, clamming, crabbing, fishing, and hiking.
- Ensure camper safety while on and off the water.
- Support the Explorer team with basic gear maintenance and storage.

What You'll Gain: Interns will gain valuable experience in outdoor education, eco-tourism, and working with children in an outdoor setting. You'll have the opportunity to develop practical water safety skills, gain a deeper understanding of coastal ecosystems, and learn about the operations of an eco-tour business.

Internship Details:

- **Dates:** June 9th – August 29th, 2025
- **Hours:** 8:30 am – 3:00 pm, Monday to Friday (Additional weekend and evening hours may be available)
- **Compensation:** Varies based on experience
- **Requirements:**
 - Reliable transportation is required.
 - Availability for the entire summer is preferred.

To Apply: Please send your resume and a cover letter explaining your interest in the internship to paddletour@gmail.com with the subject line "Explorer Camp Internship." In your cover letter, please include your availability from June to September.

Join us for a summer of adventure, learning, and outdoor exploration!
