

The Center for the Study of Inequalities, Social Justice, and Policy
Presents:

A lecture by TODD MILLER

Todd Miller will speak about how climate change, border militarization, and corporations intersect.

Kirkus Reviews
calls his book

“a galvanizing forecast of global warming’s endgame and a powerful indictment of America’s current stance.”

Wed, February 28, 2018, 4:00-5:30PM
Wang Center Lecture Hall 1
